

Quilters United in Learning Together, Schenectady (Q.U.I.L.T.S.) is a friendly quilt guild that brings together quilters of all levels to share our love of quilting and grow in our skill level. The Guild was formed in 1980 and has active members from Schenectady, Saratoga, Albany and surrounding communities.

The range of quilting experience varies from beginner to expert. No matter what the experience level, there is always something to be learned and everyone has something to share.
