

## Q.U.I.L.T.S. NAME TAG PATTERN

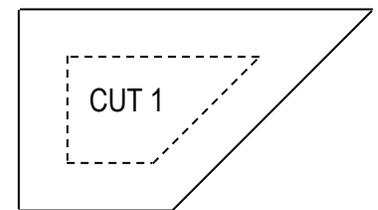

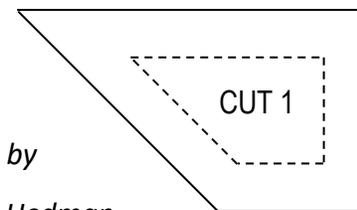

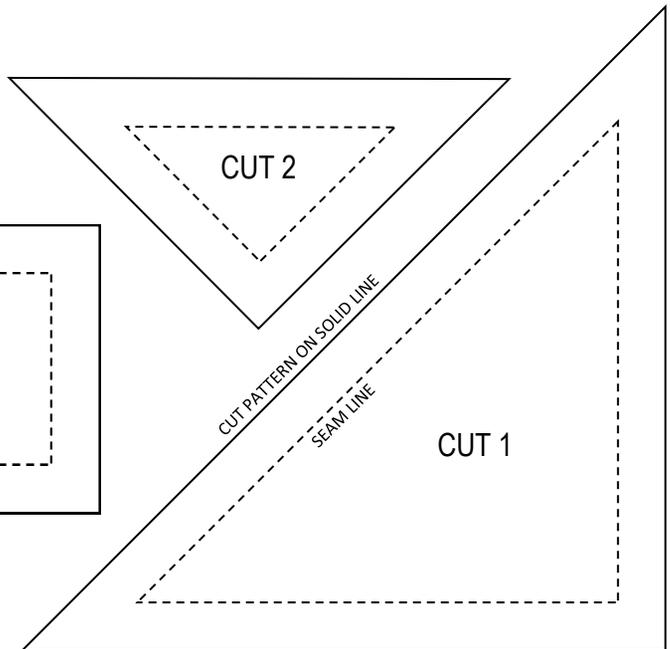

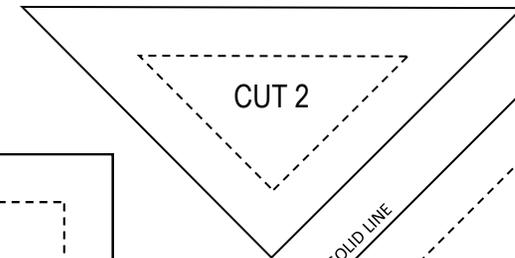

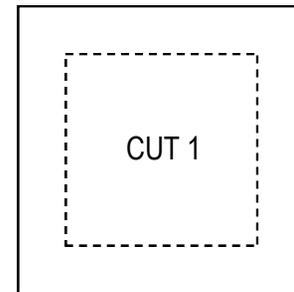

*Hands All Around* is our logo. Our name tag is based on that quilt pattern. You may use this pattern to make a quilted name tag for yourself, or any other pattern or technique you choose. As an incentive for wearing name tags, there is a special raffle drawing for members wearing their name tags at our meetings.

Cut out pattern pieces. Sew pieces together using a  $\frac{1}{4}$ " seam allowance. Requires a Y-shaped seam to attach diamonds to triangles and square.

If you choose to add a half-inch border, cut border strips  $\frac{3}{4}$ " wide.

Add name, then quilt and bind. Onto the back attach a safety pin, or a piece of ribbon as a lanyard.
