

#### STEP 4

Assemble one of your feature fabric solid squares with one of the pieced squares to create a 2-part unit, and then add a second pieced unit to the bottom to create a strip of pieced unit, solid unit, pieced unit, to look like this

Then, create two units using 2 squares of your background fabric and one pieced unit to look like this

Finally, assemble these 3 strips to create a block that looks like this
